Welcome to the Arizona Cactus Classic-2006

May 19, 2006

Dear Basketball Enthusiast:

Thank you for attending the first annual Arizona Cactus Classic – I am truly excited that you have chosen to be a part of this unique basketball environment.

For some of you, Tucson, Arizona is a long way from home and I appreciate your willingness to be a part of this first year event.

The Arizona Cactus Classic would not be possible without the incredibly generous support from our Co-Title Sponsors, **Hamilton Aerospace Technologies & First Magnus Financial Corporation**. Many additional sponsors, individuals, and volunteers also helped make the Arizona Cactus Classic one of the premiere tournaments of the year.

The lineup includes 32 teams from multiple states, and with the number of top-rated players attending, I am confident that there will be fierce competition and entertaining basketball.

Be sure to mark your calendar for next year – the 2nd Annual Arizona Cactus Classic, May 18-20, 2007!

Have a fantastic time in Tucson, Arizona and I hope you enjoy the Arizona Cactus Classic! Be sure to visit www.arizonacactusclassic.com for tournament results and stats and more information.

Tournament Rules

1. Normal high school rules with stop clock on all dead balls.
2. There will be two 16-minute halves.
3. 3 timeouts total per game - Two (2) full timeouts and one (1) thirty-second timeout.
4. One minute halftime.
5. Guaranteed three (3) minute warm-up between games.
6. Overtime is two (2) minutes - one (1) 30 second timeout in overtime with no carryovers. Each additional overtime is two (2) minutes with no timeout.
7. A player fouls out on his 5th personal foul.
8. A team reaches 1-and-1 bonus on the 10th team foul of each half. There is no 2-shot bonus.
9. Team listed on top of bracket is home and wears light color. Bring both colors to game in case a team does not have extra uniforms.
10. Two technical fouls result in an automatic ejection from the game.
11. All teams move from pool play to the championship bracket.
12. Seeding from each pool will be determined by win-loss record in pool play. In case of ties, head-to-head competition determines seed. If 3 teams are tied, a point system comes into effect. There is a maximum of +15 for a win in pool and -15 for a loss in pool. All games in pool are included in figuring point system. In case teams are still tied, the least total points allowed in pool play will determine the higher seed. In case there is still a tie, a coin toss will determine seeding.
13. At the end of pool play, check brackets at headquarters for seeding as you might play within a few hours. In case of changes, the brackets at McKale Memorial Center Headquarters are final and official. Please check with the gym you are playing in order to verify any bracket times and locations. You are responsible for knowing where and when your team plays. You can always ask the gym supervisor to check for you at the gym when you finish pool play. If you do not arrive within FIVE MINUTES of your scheduled bracket game time, it will be a forfeit.
14. A player can only play on one team during the entire event. If a team loses, that player cannot switch to another team still in competition. All players participating in bracket play must have participated in at least one of the team's pool games.
15. Unsigned Seniors: Unsigned seniors can play as long as they have not committed in writing to play for a college at any level. Unsigned prep school players are also eligible to play in the tournament. If a player has signed a letter of intent and you think they won't qualify because of grades, they still cannot play. The tournament management has the right to exclude any senior from playing. If a team is found to have an illegal player (over age), they will receive losses for all games played and possibly be disqualified from the tournament. The player in question will not be allowed to play. For all teams, bring proof of age/grade of all your players with you at the tournament. This is important.
16. During the Championship Round only (not during pool play), if a team is ahead by 20 or more points with one minute to go, the clock will not stop during that last minute.
17. The Tournament Director will have the final say regarding any disputes.
18. The Arizona Cactus Classic will present individual trophies and t-shirts to all team members for the Champion of the tournament.
19. A five member All Tournament Team and Most Valuable Player will be selected after the tournament has concluded by the tournament selection committee

The Only Thing Missing Is More Hours To The Day.

Your days may begin or end with golf at Dove Mountain, but grounds for play extend well beyond the golf courses.

Literally miles of walking paths and hiking trails meander through Dove Mountain's 6,200 acres. Also, the 2,400 acre Tortolita Preserve bordering Dove Mountain and the expansive Tortolita Mountains present endless natural wilderness hiking, mountain biking and equestrian opportunities.

Rounding out this comprehensive toast to your good health, The Gallery Sports Club will tempt members off the courses and into the sports, tennis and fitness center.

But, back to the golf.

The private Gallery Golf Club's acclaimed North Course and the new Gallery South Course are certainly the focal point of play. (Ultimately, Dove Mountain will boast 90 holes of golf.)

Homes from the high \$300,000s to over \$1 million. Homesites begin at \$400,000.

Dove Mountain is located just north of Tucson and only 80 minutes from Phoenix Sky Harbor Airport.

DOVE MOUNTAIN

Now and Forever

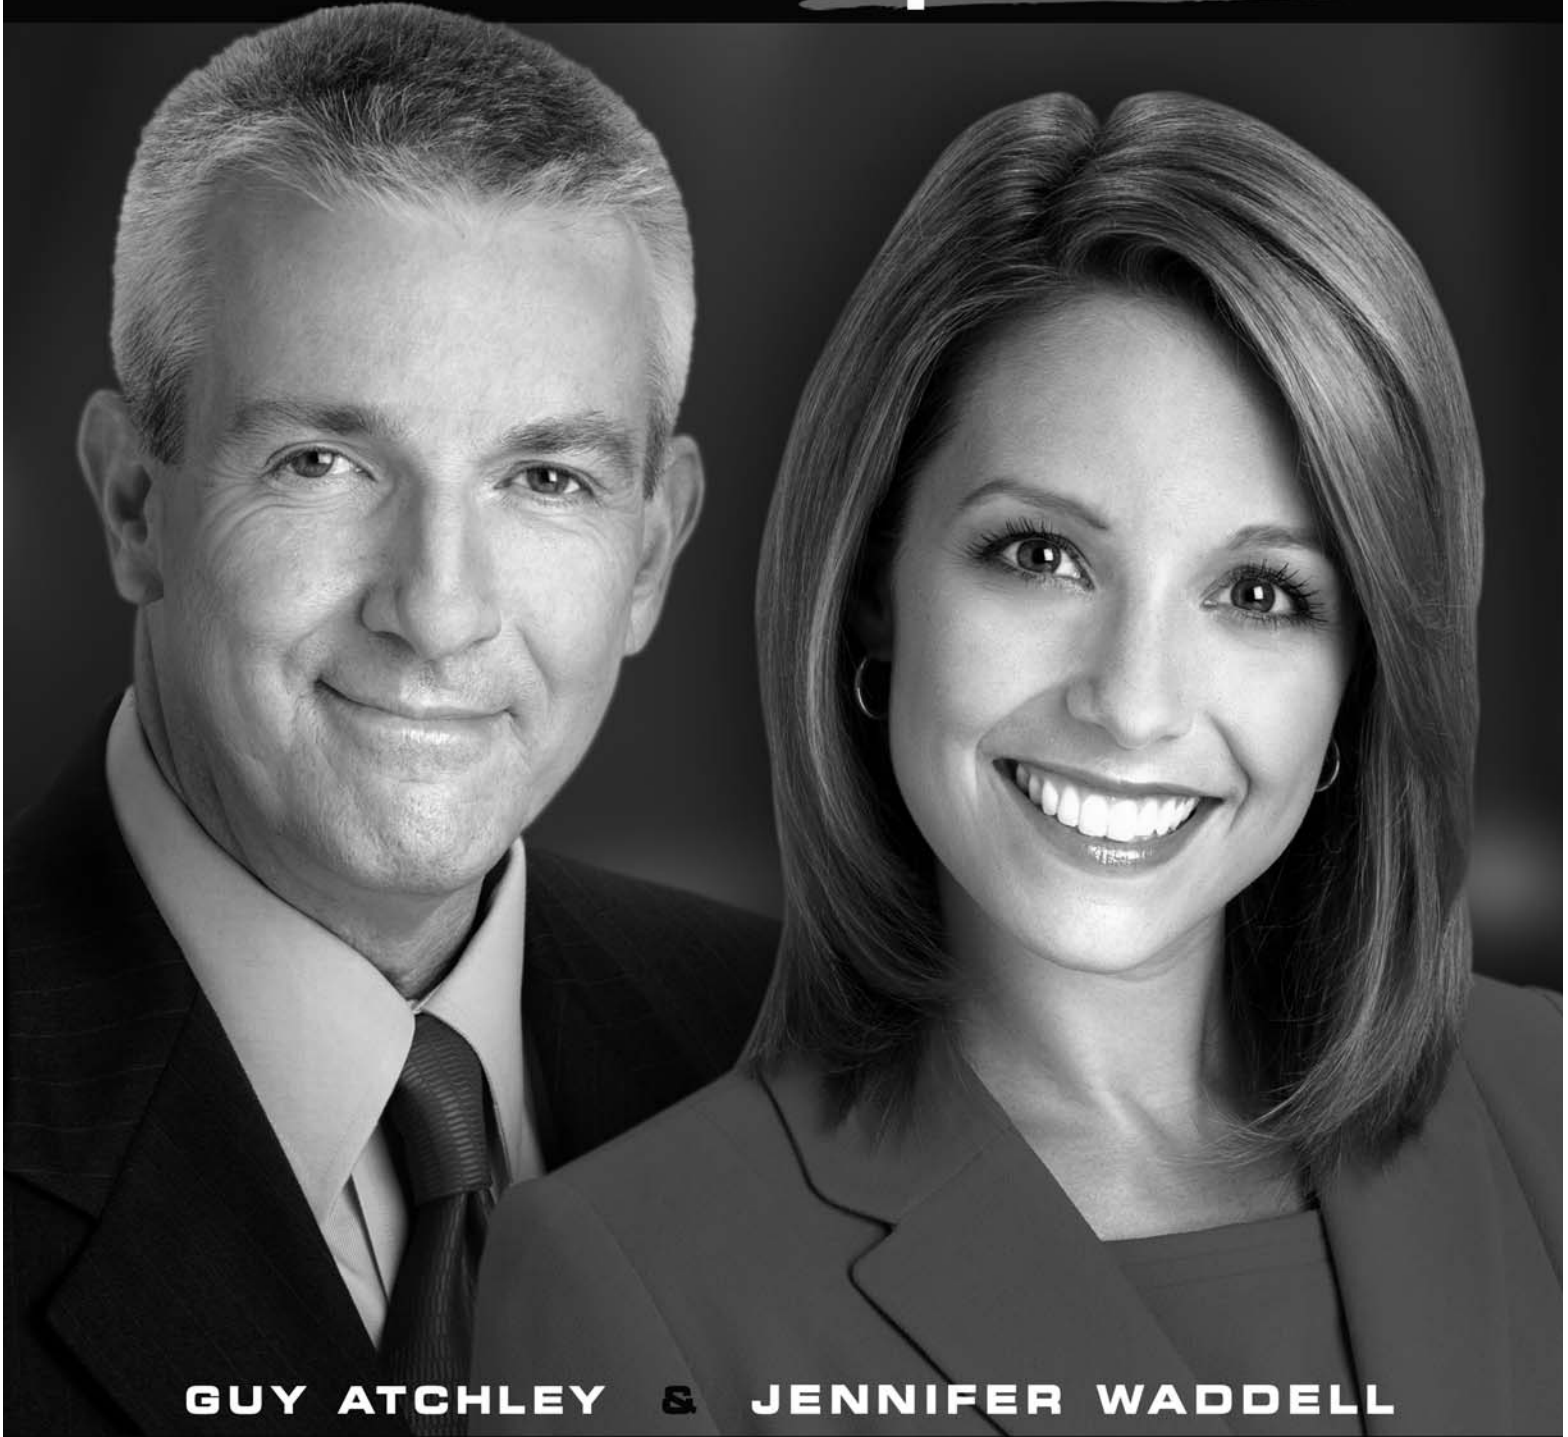

The Gallery at Dove Mountain is the new home of the World Golf Championships-Accenture Match Play Championship.
