# Welcome to the Arizona Cactus Classic-2007

May 18, 2007

Dear Basketball Enthusiast:

I say "Basketball Enthusiast" because if you are sponsoring, playing, scouting, or attending the 2nd Annual Arizona Cactus Classic then you really must be a basketball enthusiast. With 79 basketball games to be played in two and a half days, this event is truly for those who enjoy the wonderful game of basketball. Thank you for choosing to be a part of this unique basketball environment.

I know that many of you have come to Tucson, Arizona from a long distance and I appreciate your willingness to be a part of this event.

There have been many people and businesses that have helped make this event possible through their volunteerism and financial support. Without this support, I know this event would not be achievable. First and definitely foremost, I would like to thank John Rowe and Precision Toyota for their incredibly generous sponsorship. Without John's support this tournament would not be happening. I'd also like to thank First Magnus and the many additional sponsors and individuals that have helped make the Arizona Cactus Classic one of the premier tournaments in the country in only its second year.

This year the lineup of teams and players is even better than last year. Many top teams are returning and several new elite teams are participating this year. With dozens of top-rated players attending, I am confident that there will be fierce competition and entertaining basketball.

Be sure to mark your calendar for next year - the 3rd Annual Arizona Cactus Classic returns from May 16-18, 2008.

I hope that you have a wonderful time in Tucson, Arizona and that you enjoy the Arizona Cactus Classic. For tournament information, including results and statistics visit the web site at [www.azcactusclassic.com](http://www.azcactusclassic.com).

Best,

Jim Storey  
*Tournament Director*

# Tournament Rules

1. Normal high school rules with stop clock on all dead balls.
2. There will be two 16-minute halves.
3. 3 timeouts total per game - Two (2) full timeouts and one (1) thirty-second timeout.
4. One minute halftime.
5. Guaranteed three (3) minute warm-up between games.
6. Overtime is two (2) minutes - one (1) 30 second timeout in overtime with no carryovers. Each additional overtime is two (2) minutes with no timeout.
7. A player fouls out on his 5th personal foul.
8. A team reaches 1-and-1 bonus on the 10th team foul of each half. There is no 2-shot bonus.
9. Team listed on top of bracket is home and wears light color. Bring both colors to game in case a team does not have extra uniforms.
10. Two technical fouls result in an automatic ejection from the game.
11. All teams move from pool play to the championship bracket.
12. Seeding from each pool will be determined by win-loss record in pool play. In case of ties, head-to-head competition determines seed. If 3 teams are tied, a point system comes into effect. There is a maximum of +15 for a win in pool and -15 for a loss in pool. All games in pool are included in figuring point system. In case teams are still tied, the least total points allowed in pool play will determine the higher seed. In case there is still a tie, a coin toss will determine seeding.
13. At the end of pool play, check brackets at headquarters for seeding as you might play within a few hours. In case of changes, the brackets at McKale Memorial Center Headquarters are final and official. Please check with the gym you are playing in order to verify any bracket times and locations. You are responsible for knowing where and when your team plays. You can always ask the gym supervisor to check for you at the gym when you finish pool play. If you do not arrive within FIVE MINUTES of your scheduled bracket game time, it will be a forfeit.
14. A player can only play on one team during the entire event. If a team loses, that player cannot switch to another team still in competition. All players participating in bracket play must have participated in at least one of the team's pool games.
15. Unsigned Seniors: Unsigned seniors can play as long as they have not committed in writing to play for a college at any level. Unsigned prep school players are also eligible to play in the tournament. If a player has signed a letter of intent and you think they won't qualify because of grades, they still cannot play. The tournament management has the right to exclude any senior from playing. If a team is found to have an illegal player (over age), they will receive losses for all games played and possibly be disqualified from the tournament. The player in question will not be allowed to play. For all teams, bring proof of age/grade of all your players with you at the tournament. This is important.
16. During the Championship Round only (not during pool play), if a team is ahead by 20 or more points with one minute to go, the clock will not stop during that last minute.
17. The Tournament Director will have the final say regarding any disputes.
18. The Arizona Cactus Classic will present individual trophies and t-shirts to all team members for the Champion of the tournament.
19. A five member All Tournament Team and Most Valuable Player will be selected after the tournament has concluded by the tournament selection committee

# Just For Fun.

There's no improving on this kind of perfection. But we have added a number of things. Just for fun.

There's the renowned golf of The Gallery. The North Course plays up one striking canyon, only to make the turn up another. The South Course, inspired by the legendary Pinehurst #2, is the new home of the World Golf Championships-Accenture Match Play Championship.

Wander off the golf courses and wonder at the miles and miles of high desert mountain hiking, biking and equestrian trails. Or, explore the freedom in the thousands of acres of Preserves and natural wilderness bordering Dove Mountain. Spend a day enjoying The Gallery Sports Club's fitness center, swimming pools, lighted tennis and basketball courts. There's even a beach ... for volleyball.

A life lived to its fullest awaits you at Dove Mountain.

Dove Mountain is located just north of Tucson and only 80 minutes from Phoenix Sky Harbor Airport.

Please call 520-572-8000 or visit our web site [dovemountain.com](http://dovemountain.com) for more information.
